*Professional Tree Care & Land Management Services*

---

## 1. Who We Are

Active Tree Service LLC was founded in 2009 after gaining professional licensing and adherence certification. Prior to starting the company, the founder worked in power line clearing with Axil Energy, where extensive experience was gained in outdoor operations, safety compliance, and vegetation management. Driven by a passion for working outdoors and delivering quality service, the company was established to provide professional, reliable, and safe tree care solutions. Our long-term vision is to grow the company to greater heights and build a lasting family legacy for future generations.

## 2. Team Members

Active Tree Service LLC is a proud family-owned and operated business. The company is led by the founder and supported by his sons, creating a strong family-driven work ethic built on trust, dedication, and teamwork.

## 3. Leadership Team

Leadership is rooted in hands-on experience, integrity, and hard work. With years of field experience and a passion for outdoor work, the company emphasizes safety, professionalism, and customer satisfaction in every project.
